Dear Mel,

Thank you so much for making our house look beautiful again. The stairs now look terrific and all the rooms look fantastic too.

Everyone working in our house has been charming + delightful too. And thank you so much for finding door handles yesterday.

Colin worked so hard - he didn't leave until 9.00 and what a gorgeous guy. He left a big dust sheet in the basement FULL OF WOODSHAVINGS! Would you be able to get rid of these pls!

Back today at 3.30. Have a good wk + Jx
