To whom it may concern

We employed Mel Smith of Paintcraft (Décor) UK Ltd to carry out the interior painting and decorating works, plus some refurbishment/building works, to our Grade II listed house in Maida Vale. The work was done to a very high standard by an experienced, professional team. The preparation work was meticulous and the finishing excellent and detailed, the whole carried out in a very pleasant working atmosphere. Snagging was done promptly and efficiently. We can recommend Paintcraft highly.

Yours faithfully
